CIVIL ACTION NO. 1:06-CV-477

**MEMORANDUM ORDER OVERRULING PLAINTIFF'S OBJECTIONS AND
ADOPTING THE MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION**

Plaintiff Fred Edwards, an inmate confined at the Federal Correctional Complex in Beaumont, Texas, proceeding *pro se*, brought this lawsuit alleging the denial of adequate medical care, in violation of the Eighth Amendment.

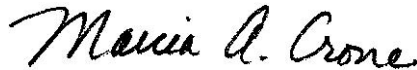

The court referred this matter to the Honorable Earl S. Hines, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The Magistrate Judge recommends this action be dismissed for failing to exhaust available administrative remedies.

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such referral, along with the record, pleadings and all available evidence. Plaintiff filed objections to the magistrate judge's Report and Recommendation. This requires a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b). After careful consideration, the court concludes Plaintiff's objections are without merit.

ORDER

Accordingly, Plaintiff's objections are **OVERRULED**. The findings of fact and conclusions of law of the magistrate judge are correct, and the report of the magistrate judge is **ADOPTED**. A final judgment will be entered in this case in accordance with the magistrate judge's recommendation.

SIGNED at Beaumont, Texas, this 28th day of September, 2006.

A handwritten signature in cursive script, reading "Marcia A. Crone", is positioned above a horizontal line.
